Enabling our children to think differently, aim high and achieve.

Acceptable Use Policy Year 3 to Year 6

Being an Internet Legend means being sharp, alert, secure, kind, and brave. To demonstrate these qualities, I plan to stick to the following guidelines:

Think Before You Share

I will thoughtfully consider what I share and with whom, and keep extra-sensitive information to myself (such as my home address, current location, or other people's business).

Check it's For Real

I will watch out for phishing and scams, and report questionable activity every time.

Protect Your Stuff

I will take responsibility for protecting important information by crafting strong and unique passwords with characters, numbers, and symbols.

Respect Each Other

I will spread positivity and use the skills I have learned to block and report negative behaviours.

When in Doubt, Discuss

I will use my voice when I notice inappropriate behavior and seek out a trusted adult to discuss situations that make me uncomfortable. Because that's what it takes to be a safe and fearless explorer of the online world.

Our Hillcross Mission

Our focus is ensuring our children meet their full potential, both personally and academically, and that they have the opportunity to develop their unique talents and skills in order to prepare them for the future.

As a nationally recognised Thinking School, we nurture a collaborative community of creative and critical thinkers. We achieve success through an engaging curriculum, child-centred learning, meeting our high academic aspirations and celebrating diversity.
