School Uniform Policy

Mission, Vision and Values

At Hillcross, we nurture our children to think critically and creatively within a collaborative community.

Our outstanding practice ensures our children meet their full potential, both personally and academically, and provides opportunities for them to develop their unique talents and skills. As a nationally recognized Thinking School, we nurture an empathetic community of creative and critical thinkers. We achieve success for all through our dynamic and ambitious curriculum, inclusive learning, promoting fairness and celebrating diversity.

Through our school culture of high aspiration, embracing challenge, acting with compassion, a shared responsibility and by showing respect for all, we aim to develop a resilient school community of compassionate global citizens.

Introduction

At Hillcross, we have an agreed school uniform in order to enhance school pride, unity and community spirit. By creating a common identity amongst all pupils, regardless of background, a school uniform can act as a social leveller. Wearing a school uniform also reduces the chance of children making judgements about each other based on appearance. It can reduce bullying and peer pressure to wear the latest fashions or other expensive clothes.

This policy has been written and reviewed in light of the Department for Education non-statutory guidance on [school uniforms](#). (updated November 2021) and the statutory guidance on the [cost of school uniforms](#), (published November 2021). This guidance is issued under the [Education \(Guidance about Costs of School Uniforms\) Act 2021](#). This Act requires the appropriate authorities of relevant schools to have regard to this guidance when developing and implementing their school's uniform policy.

We have carefully considered what is practically required for lessons (including PE), health and safety considerations and the comfort of the children.

As a member of Hillcross Primary School, all children are expected to observe this policy.

School Uniform

It is important that our uniform fosters a sense of pride in our school; however, to ensure the cost of our uniform is kept at a reasonable level, we keep the use of branded items to a minimum.

Trainers for PE should be black, but please remember how often these get lost and that they will be worn in muddy conditions, so do not send your child to school with expensive trainers.

All items of school uniform - this includes shoes, lunch boxes and school water bottles – should be labelled. Parents are asked to regularly check the uniform their child brings home - it is very easy for items of uniform to get mixed up. If this has happened parents are asked to bring back anything they find that is not their child's and the school will reunite it with its owner.

Pre-loved (Second-hand) School Uniform

Second-hand uniforms can benefit all families, particularly those on low incomes. In addition, by extending the life of garments, it is more sustainable. Hillcross is a collaborative community and families are encouraged to donate school uniform items that are in good condition when their child/ren grow out of them. These should be taken to the school office.

To support families in challenging circumstances preloved school uniforms can be provided free of charge, please email info@hillcross.merton.sch.uk or speak to a member of staff.

Preloved school uniforms can also be bought by any families at one of our termly preloved uniform sales. We ask for a minimum donation of £1 for all items —all money raised through this avenue goes towards enhancing the children’s curriculum experiences. To facilitate parents having access to school uniforms in between the half-term sale events, we are able to supply items on request. Please email info@hillcross.merton.sch.uk and enter ‘Pre-Loved Uniform’ in the subject line advising us of your exact requirements e.g. school jumper age 5-6, PE polo shirt age 7-8. We will try to action your request within 5 -7 working days and the items will be sent home with your child in a carrier bag. Please ensure you make the required donation via ParentMail to the ‘Pre Loved Uniform’ payment item.

Uniform Supplier arrangements

We ensure our uniform supplier arrangements give the highest priority to cost and value for money (including the quality and durability of the garment). We avoid single supplier contracts but where we do have only one provider we engage in regular tendering competitions where more than one supplier can compete for the contract and where the best value for money is secured. All contracts will be retendered at least every 5 years.

Equality Impact Assessment

Under the Equality Act 2010, we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation. We are committed to treating all members of the school community fairly and challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion. This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any member of the school community and it helps to promote equality and accessibility at our school. The curriculum is planned to be inclusive and meet the needs and interests of a full range of learners. Activities and resources will be differentiated and adult support used to ensure that children access the curriculum and make the best possible progress.

Environmental and Sustainability Assessment

As part of our commitment to environmental sustainability, we have considered the environmental impact of our school uniform policy, by ensuring there are systems in place to enable families to purchase second-hand school uniforms and how items are sourced by our providers.

Safeguarding Commitment

The school is committed to safeguarding and promoting the welfare of children, in line with the most recent version of Keeping Children Safe in Education, and expects all staff and volunteers to share this commitment. We take seriously our duty of care to our pupils and staff which includes safeguarding them from the risk of being drawn into terrorism - this includes not just violent extremism but also

non-violent extremism, which can create an atmosphere conducive to terrorism and can popularise views which terrorists exploit. We work closely with social care, the police, health services and other services to promote the welfare of children and protect them from harm. Radicalisation is recognised as a specific safeguarding issue and is addressed in line with the Government Prevent Strategy and The Counter-Terrorism and Security Act 2015.
