Year One "Oliver with a Twist" Celebration Day

Friday 19th May 2017

Friday 28th April 2017

Dear Parents/Carers,

The children have started to find out about the Victorians and we have been really impressed by their engagement and enthusiasm in this learning.

On Friday 19th May, we plan to have a Victorian celebration day. The children are asked to dress up as a Victorian character such as a school child, maid or chimney sweep - you do not need to buy a costume homemade suggestions include a school pinafore dress and apron or school shorts, shirts and hats. As was the tradition in Victorian times most children would have to pay to come to school, therefore the children must bring in 1p in order to be allowed to enter the class on that day!

The children will spend the day as Victorian children - learning to make typical Victorian food and drinks, making their own Victorian games and toys, singing traditional Victorian songs and designing and making puppets so that they can perform puppet shows to each other.

As you can see it will be an action packed day, where the children will celebrate all things Victorian. We would like to take this opportunity to thank you in advance for your support throughout this topic and in helping to make our celebration day a big success!

Many thanks,

The Year One Team
