

Paddington Bear Comes to Hillcross

1. What are human and physical features?

Physical features like seas, mountains and rivers are natural. They would be here even if there were no people around.

Human features are things like houses, roads and bridges.

2. How will Paddington Bear find his way around the school?

At Hillcross there are physical features like: trees, grass and flowers. Our school building, desks, classrooms and everything inside are human features.

We can use locational and directional language to describe areas in our school (near and far; left and right).

3. How can I describe our local area to Paddington Bear?

There are lots of houses, roads, churches etc. near Hillcross- these are all human features (built by people). Morden Park and Cannon Hill Common are some of the physical features near us.

Key Vocabulary

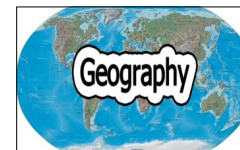

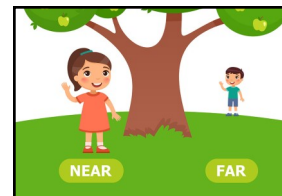

vegetation all ground covered by plants

left ← a direction

right → a direction

near a short distance away

far a long distance away

4. How will Paddington Bear get to Hillcross?

By using aerial photographs and different perspectives we can recognise landmarks and basic human/physical features. We can also look at maps.
