

A Change Over Time

How can my art change over time?

1. What is a sculpture?

Sculpture is the art of building in 3D. Sculptures can be made by carving, modelling or placing materials together. They can be made out of any material.

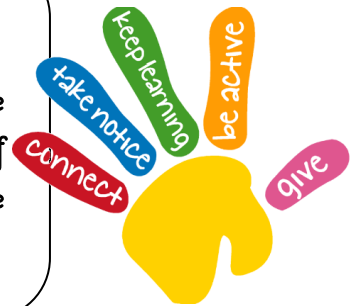

2. Who is Andy Goldsworthy?

Andy Goldsworthy is a British artist, known for his sculptures and photography. He only uses natural materials such as stones, twigs, flowers, leaves, mud etc.

4. How can I make a sculpture?

We will create and evaluate our sculptures in the style of Andy Goldsworthy using shape and form.

3. What materials will I use for a sculpture?

Natural materials are things that come from plants, animals, or the ground-not man-made.

We will investigate how to create forms from different materials.

Key Vocabulary

form	the shape or structure of an object
sculptor	somebody who creates art in 3D form
sculpture	the art of building in 3D
shape	the form in which an object appears
