

WALT count in multiples of 2

Listen to the counting in 2s song as a warm up! Can you make up your own song after?

<https://www.youtube.com/watch?v=GvTcpfSnOMQ>

Use the 100 square and colour in the numbers for counting in 2s. This will help you remember the correct order so you don't miss any numbers out. Practise singing in different voices, shout it, whisper it or funny voice it! 😊

Here is a link to an interactive one if you do not have a printer at home.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

What patterns can you see when counting in 2s? Discuss this with your adult.

Can You Count?

Can you think of a quick way to count the socks?
Give a reason for your thinking.

Counting in Twos

Ben is counting his money. Can you help him?

Here are the numbers Ben counted on a number line.

What do you notice about them?

Activity

Creativity

What new ideas are possible?
What is my suggestion?
Can I create something new?

This is your chance to show off your green hat thinking skills and create as many activities as you wish to show your understanding of counting in 2s.

Which times tables does it link to?

SKIP COUNTING

Lacing Plates

Plot the counting in 2 numbers and thread the string.

Get active and get outside and get children to peg the numbers or even tap the number. For example, tap the number that is 4×2 or peg the number that is 3 lots of 2.

Help your parent or carer with organising the socks! Write the numbers to help you practise counting in 2s.

Organise the shoes and count in 2s. Remember to put them back! 😊

Collect objects in the garden and order them by counting in 2s. **Remember you are counting in 2s.**

Order the numbers or create your own counting in 2s cards to order.

Reflection

"1, 3, 5, 7, 9"

Li says she is counting in 2s.

Do you agree? Can you explain your answer?
