

### Hillcross Home Learning Palette – Year 1

Each week you need to complete and hand in one piece of work from the table below – but if you want to do more than one each week you can! Please complete the home learning set for you (these are highlighted and dated) before you complete additional activities. If you are choosing from a skill column that you are not yet confident about, choose the Walk row; if you are fairly confident about the skill choose the Jog row; and if you want to challenge yourself choose options from the Run row. Your homework will be due in each Wednesday. If you think of something different to those that are listed, check with your teacher first and you could do that instead. Additional home learning may be given to close gaps or to help practise Handwriting or Key word recognition.

		Term: Autumn 1				Topic: Mirror Mirror			
		Naturalist 	Verbal & Linguistic 	Logical & Mathematical 	Visual & Spatial 	Bodily Kinaesthetic 	Musical & Rhythmical 	Interpersonal 	Intrapersonal
