Monday 27<sup>th</sup> February

Dear Parent/Guardian

## Re: Children's Scooter Skills Course – Thursday 9<sup>th</sup> March

The London Borough of Merton Road Safety team will be providing a short practical session to help the children to improve their road safety awareness when using a scooter. This training will take place on the morning of **Thursday 9<sup>th</sup> March**.

The training session will comprise playground based activities and at the end of the session children will be awarded a certificate of participation as well as a high visibility vest.

Children will need to bring a scooter of the correct size, that is safe to use – no loose nuts or bolts (unfortunately children bringing an unsafe scooter will not be allowed to participate) and we also strongly recommend children wear a cycle helmet for this course but this is not compulsory.

If you would like your child / children to participate please sign and return the form below *to your child's teacher* immediately as places are limited. **Please note your child/ren will be unable to take part without a signed consent form.**

If you have any questions or queries please contact your child's teacher in the first instance

Yours sincerely

*H Arnot*

Holly Arnot  
PE Leader.

### Consent Form

I give my consent for (child's name)..... to participate in the London Borough of Merton road safety scooter skills for children event.

Does your child have a medical condition the trainers need to be aware of, if so please give brief details below:
