## Morden Little League Football Taster Session!

Dear Parents,

Following on from the success of our girls football team in both inter-school and league competitions, we are delighted to inform you that we have been offered a fantastic opportunity from **Morden Little League for the year 1 and 2 girls only**.

They are coming in to our school to run a 40 minute football 'taster session'. The taster session involves the girls taking part in and practising football skills. These skills include dribbling, passing shooting and much more! They will also be showing the girls various football drills and they will finish up the session with mini matches.

This taster session is aimed at encouraging the girls to not only enjoy sport and PE but to think about joining a local football club. All the girls that take part in this taster session will be given the opportunity to attend trials for Morden Little League (and if they have attended the trail they are guaranteed a place on a football team within the league).

The session will be taking place during lunchtime on **Monday 24<sup>th</sup> April from 12:10-12:45**. As the children will be taking part in physical activity they will need their PE kit on this day. The girls will be able to have their lunch a little earlier on the day prior to the session.

We are really looking forward to having the specialist coaches in school and we really hope the girls enjoy this free session. If for any reason you do not want your child to take part in the session, please let your class teacher know.

Thank you for your support,

*Holly Arnot*

PE Subject Leader
